

III INTERNATIONAL CONGRESS “ENERGETICS-ECOLOGY-ECONOMY-SOCIETY” “VIEW ON FUTURE”, October 24-27, 2013

**INTERNATIONAL ACADEMY OF ENGINEERING (IAE)
INTERNATIONAL FUEL-ENERGETICS ASSOCIATION (IFEA)
ENGINEERING ACADEMY OF ARMENIA (EAA)
STATE ENGINEERING UNIVERSITY OF ARMENIA (SEUA)
YEREVAN STATE UNIVERSITY OF ARCHITECTURE AND CONSTRUCTION (YerSUAC)
RUSSIAN-ARMENIAN (Slavonic) UNIVERSITY (RAU)
INTERNATIONAL ENERGETIC CORPORATION (IEC)
AUTONOMOUS NON-COMMERCIAL ORGANIZATION “CSTO INSTITUTE IN THE REPUBLIC OF ARMENIA”
ARMENIAN YOUTH FOUNDATION (AYF)**

Dear Colleagues,

The Organizing Committee for **III INTERNATIONAL CONGRESS “ENERGETICS-ECOLOGY-ECONOMY-SOCIETY” “VIEW ON FUTURE”** invites you to participate in **III INTERNATIONAL CONGRESS “ENERGETICS-ECOLOGY-ECONOMY-SOCIETY” “VIEW ON FUTURE”** **ARMENIA, YEREVAN, October 24-27, 2013**

Chairmen of the Congress

Honorary President of EAA **S.A. Hambartsumyan**
President of International Academy of Engineering and Russian Engineering Academy **B.V.Gusev**

Organizing Committee:
Chairman

President of EAA **S.A.Minasyan,**

Vice- Chairmen

President of IFEA **H.J.Margulov,**
Full Member of IAE and EAA (Russia)

Vice - President of IAE **Samuel Yen-Liang Yin ,**
Foreign Member of EAA (Taiwan)

Chief Architect of Yerevan **N.A.Sargsyan,**
Full Member of IAE and EAA

Deputy President of EAA **R.N.Barseghyan,**

Members of organizing committee:

Yu.A.Safaryan - Vice - President of EAA
V.B.Bostanjyan – Vice - President of EAA
A.S.Gurjyan - Vice - President of EAA
A.H.Arakelyan – Head of the Chair of YerSU, Full Member of IAE and EAA
A.R.Darbinyan - Rector of RAU, Corresponding Member of NAS RA, Full Member of EAA
A.S.Avetisyan - Rector of SEUA, Corresponding Member of NAS RA, Full Member of EAA
H.V.Tokmajyan - Rector of YerSUAC, Corresponding Member of IAE, Full Member of EAA
Yu.M.Suvaryan – Academician-Secretary of the Department of Social Sciences of NAS RA, Academician of NAS RA, Full Member of EAA
V.M.Harutjunyan - Academician of NAS RA, Full Member of EAA
H.Z. Musayelyan – General Director of CJSC “Synopsys Armenia”, Full Member of EAA, Foreign Member of REA
A.H.Arakelyan – Head of the Chair “Mathematical Modeling of Economic Processes” of the YerSU, Full Member of IAE and EAA

III INTERNATIONAL CONGRESS “ENERGETICS-ECOLOGY-ECONOMY-SOCIETY” “VIEW ON FUTURE”, October 24-27, 2013

A.G.Baghdasaryan – General Director of CJSC “Yerevan Beer”, Full Member of IAE and EAA
H.G.Hakobyan – President of CJSC “Yerevan Beer”, Full Member of IAE and EAA
A.A.Ghukasyan –President-General Director of CJSC “Avan Salt Plant”, Full Member of IAE and EAA
G.R.Afandyan –President of LLC “Arzni Group”, Full Member of EAA, Foreign Member of REA
V.G.Petrosyan – General Director of CSJC SRI “ArmAtom”, Full Member of IAE and EAA
A.H.Vardanyan – President of Innovation Centre “Barva”, Full Member of IAE and EAA
A.R.Grigoryan – General Director of CJSC “IEC”, Full Member of EAA, Corresponding Member of IAE
N.S.Torosyan - Head of “CSTO Institute in the Republic of Armenia”, Corresponding Member of EAA
P.G.Aloyan – Full Member of EAA
G.Ye.Ayvazyan - Full Member of EAA
K.K. Avagyan - Chairman of the Council of Trustees of AYP
K.S.Danielyan – Chairperson of Chair of Ecology and Sustainable Development of ASPU, Secretary of National Council on Sustainable Development by RA Prime-Minister, Full Member of International Academy of Ecology

Scientific-Coordinating Committee:

Torosyan Gagik – Armenia
Hlavínek Petr - Czech Republic
Hovhannisyan Dezi – Armenia
Kallenbiorn Roland-Norway
Khachatryan Hambardzum -Armenia
Lipchin Clive – Israel
Mahríková Ivana - Slovakia
Pagliara Stefano - Italy
Sturza Rodika – Moldova
Vardanyan Azat –Canada
Zlotski Semen – Russia

Secretariat:

A.Galoyan
N. Zakaryan
R.Avetyan
A.Amyan
N.Hovhannisyan
H.Kocharyan
A.Isakov
M.Petrosyan.
Ye. Torosyan

Sponsors:

CJSC “Yerevan Beer”, CJSC “Avan Salt Plant”, LLC “Arzni Group”, CJSC “ArmRusGasProm” , Autonomous Non-Commercial Organization “CSTO Institute in the Republic of Armenia”, CJSC “International Energetic Corporation”, CJSC “Operator of Electric Power System of RA”, Russian-Armenian (Slavonic) University, CJSC “Ashtarak Kat”, Armenian Youth Foundation, State Engineering University of Armenia, Yerevan State University of Architecture and Construction.

Reports concerning the situation of **Energetics-Ecology-Economy-Society** problems on the questions of regional importance will be presented. New scientific data that support or question the efficacy of already existing or prospective substances and applications, as well as new ideas, approaches and visions will be presented. The reports can be presented within the following subject areas:

III INTERNATIONAL CONGRESS “ENERGETICS-ECOLOGY-ECONOMY-SOCIETY” “VIEW ON FUTURE”, October 24-27, 2013

1. Engineering Education.
2. Renewable Energetics, Energy-Efficient Technologies, High Technologies.
3. Ecological Safety.
4. Global Economic Transformations and Competitiveness of Countries.
5. Information Technologies and Safety.
6. Antiseismic Construction, Architecture and Building Materials.
7. Rational Mining-Smelting and Chemical Industry.

WORKING LANGUAGES OF THE CONGRESS ARE: Armenian, Russian, English.

PROGRAM OF III WORLD CONGRESS – October 24-27, 2013

October 24, 2013	Arrival and registration of participants
October 25, 2013	10.00 Solemnity of opening and plenary meeting 14.00 Work of the sections 17.00 Discussion of reports in sections

INTERMEDIARY BANK	Credit Swiss Bank Switzerland, Zurich SWIFT: CRESCHZZ80A
BENEFICIARY BANK	IBAN: CH95 0483 5093 1311 6400 0 ARMENIAN DEVELOPMENT BANK YEREVAN, ARMENIA SWIFT: ARDEAM22XXX
BENEFICIARY:	NON GOV ORGANIZATION ENGINEERING ACADEMY OF ARMENIA
BENEFICIARY ACCOUNT No:	1810001009563313

The payment of the organizational fee includes the publication of the theses of the reports, manipulative material, transfer, coffee-break, stand-up party.

Organizational fee doesn't include the cost of fare, habitation, air ticket.

APPLICATIONS FOR PARTICIPATION:

III INTERNATIONAL CONGRESS “ENERGETICS-ECOLOGY-ECONOMY-SOCIETY” “VIEW ON FUTURE”, October 24-27, 2013

Applications for participation in the work of the Congress and thesis of the report are presented in Armenian, Russian or English languages till **September 10, 2013** and can be sent on e-mail:

eea 2013 @academy.am

Form for the registration of participants will be displayed on the site of the Congress. Electronic registration will be realized till **September 10, 2013**.

Total information on III World Congress will be placed on the site of **Engineering Academy of Armenia** <http://eea.academy.am/>

Postal address: Engineering Academy of Armenia, room 203, 2nd floor, building 17, house 105, Teryan str., Yerevan 0009, Republic of Armenia, Organizing Committee of the Congress “View on Future”.

Tel.: (+37410) 564 207, Fax: (+37410) 564 207

Concerning any question contact:

Gagik Torosyan (+37493) 998 830, gagiktorosyan@seua.am

Razmik Barseghyan (+37491) 388 233 **e-mail:raz_bars@yahoo.com**

PUBLICATIONS

The **theses** of the reports of the participants of the Congress will be published in the Collected works of the Congress. The theses for publication must be presented to the Organizing Committee by electronic address: barseghyan@academy.am or gagiktorosyan@seua.am in electronic variant till **September 10, 2013**.

RULES FOR PRESENTING ARTICLES

The articles can be presented in Armenian, Russian and English. The fonts are for Armenian – **Sylfaen** (font size 10), Russian and English – **Times New Roman** (font size 11); spacing – 1; page format – A4, working field - 166×252 mm; the margins: left – 25 mm, top 20 mm, right – 2 mm, bottom 25 mm.

In the above line of the first page on the left angle **UDC** must be written, according to the standard (minimum 6 digits), on the right angle – the section of the collection with capital letters (the whole line in **bold typeface** size 11).

With a line below in the middle of the page – **Name, Patronymic, Surname** of the author(s) with small letters in **bold typeface** (size 11).

Two lines below, in the centre of the page with capital letters – the title of the article (**bold typeface**, size 12) and two lines below – the abstract in the language of the article with **keywords** (size 10, Italic).

Two lines below the main text of the article is given. The new line is given with indentation – 10 mm..

The formulas and mathematical expressions have the form of *Microsoft Equation, Italic*, size 11.

The formulas are submitted on a separate line, and, if necessary, they must be numbered on the right angle of the same line, in brackets. The fractions are recommended in the form a/b or ab^{-1} and the symbol exp must be used.

The references in the text are written after the article and submitted sequentially [1],[2]...

One line below the date of submitting the article is given.

Afterwards the abstracts in two languages not coinciding with the language of the text.

One line below are written: **Surname, Name, Patronymic** of the author(s), scientific degree, title,, the name of the organization in short, the working place of the author, the phone number.

The article should be reviewed by a well known specialist or scientific worker in the given field and submitted for examining to the editorial board of the collection. The total volume of the article must not exceed 8 pages.

The article must be typed by format A4, in two copies, as well as on a disk in format 3,5 and submitted to the executive secretary of the collection. To facilitate the process of final editing, it is recommended to type one copy with typeface 12 and in-between spacing 1,5.

The editorial board has the right to make the final editing.

In case of rejection to publish one copy of the article must be kept in the editorial office.

Editorial board
