□ 2020 Tang Prize Awarding Ceremony □ Cordially invite you to join "Tang Prize Award Ceremony" and "Tang Prize Laureate Lecture"

The Tang Prize Foundation will hold the “2020 Tang Prize Awarding Ceremony” at 2p.m. Taipei time (GMT+8), on November 20, 2021. Eight laureates will get online in their respective countries to receive the awards and make acceptance speeches. Viewers all over the world are cordially invited to take part in this joyful celebration of the outstanding achievements of our 2020 laureates.

In conjunction with the forthcoming awarding ceremony, eight laureate’s lectures have been scheduled for November 20 and 27. Anyone interested in topics related to sustainable development, biopharmaceutical science, Sinology, and the rule of law is welcomed to visit the Foundation’s website and YouTube channel on these two Saturdays to watch these masters’ insightful analysis of issues concerning ecological conservation and environmental education, basic research on cytokines and the treatment of autoimmune diseases, the future of China, as well as human rights, social justice and democracy. Several laureates will also share stories about the challenges they encountered when pursuing their goals in their specific fields and how
