Members of the Russian International Academy of Engineering visited the Tang Prize offices Wednesday (March 29). The visitors included Drs. Louis Lee, Chin-der Ou, Wen-hua Chen, Yen Yun, Kuo-Chun Chang, and Ta-peng Chang.

The tour included a look at the Tang Prize Medal and Diploma, as well as some of the Foundation's rare cultural items, such as the Table of Honor (pictured).

They also applauded the contributions of the 2016 laureates, noting their immense contributions to society.
