

President of IAE, Dr. Boris Gusev, and famous international scholar Dr. Igor Emri visited Taiwan from January 14 to 18 to participate in various activities. Visited TCIAE, Tang Prize Foundation and National Center for Research on Earthquake Engineering a communication, and made a trip to Gogoro company and the Breeze Nanshan Building.

On Jan 15, the former chairman of TCIAE, Dr. Kuo-chun Chang, led the delegation, including the representative of The Moscow-Taipei Coordination Commission on Economic and Cultural Cooperation (MTC), Sergey Petrov, and Deputy of MTC, Vladimir Konovalov, to visit Gogoro (the unicorn company). All were very impressed.

On Jan 16, Dr. Gusev gave a lecture at the Institute of Chemistry of Academia Sinica. The topic is "New notions regarding the three-dimensional matrix of chemical elements and predicting 100 new elements". Director Yu-ju Chen host the delegation and presided over the speech. The delegation also interacted with former President of the Academia Sinica Yuan T. Lee and Chi-Huey Wong.

On the evening of the same day, Dr. Gusev met with members of TCIAE and granted certificates to prof. K. N. Chiang (academician), prof. Ching-Jong Liao (corresponding member), prof. Shan-hui Hsu (corresponding member). Then Dr. Gusev granted award medals to President of TCIAE Jenn-Chuan Chern (Engineering Glory), prof. Chao-Ming Fu (Gold Award), prof. Yun Yen (Engineering Valor), prof. Wen-Hua Chen (Engineering Valor), prof. Ta-Peng Chang (Golden Honor Sign), and Dr. Jui-Chen Wang (Golden Honor Sign) for their significant contributions to the development of scientific and technological cooperation between Russia and Taiwan, and positively participating in the activities of TCIAE.

On Jan 17, the delegation went to National Taiwan University of Science and Technology to give a lecture. There were participants from the university, and the engineering community. The President Ching-Jong Liao hosted the delegation and discussed exchange student program and technology cooperation.

Various activities were successfully completed on 1/17 and the delegation left on 1/18.

Don't forget to capture the DNA of the most important people in your company (CEO, CFO, COO, etc.) and the most important people in your life (family, friends, etc.).
