TAICE was established in 2009 by the founding president, Dr. Samuel Yin. In the past ten years, TCIAE has served as a major platform to assist academia、governmental and industrial circles with the role of NGO to promote the scientific and technological exchanges among Taiwan, Russia and IAE branches (C.I.S. Countries).

TCIAE celebrate its establishment by organizing the 10 th anniversary celebration on January 23 at Howard Plaza Hotel, Taipei. Through video, President of IAE Gusev B.V. congratulates all members. President of TCIAE Jenn-Chuan Chern gives a presentation, titled the 10 years TCIAE development and contribution as a platform for science and technology exchanges between Taiwan and Russia. (Download).

To celebrate the 10th anniversary, TCIAE launched a series of events:

- Special Zone "10th Anniversary of the establishment of TCIAE"
- President of IAE Gusev B.V. was awarded (9/20/2018，Taiwan).
- 10 th anniversary celebration at Howard Plaza Hotel, Taipei (1/23/2019，Taiwan). President of IAE Gusev's congratulations (download) and video.
- RAE & IAE will celebrate the 10 years of the establishment of TCIAE and invite President of TCIAE Jenn-Chuan Chern to give a speech. (4/26/2019，Moscow)
