

Taiwan-Russia cooperation platform

Written by Administrator

Tuesday, 11 February 2020 13:38 -

Individuals or companies, who are interested in technology research or technology business exchanges between Taiwan and Russia (including IAE chapters, branches and representative offices), can provide us the information (name, job title, contact, cooperation idea) to look for engagements on this platform. Please send the email to tciae.org@gmail.com.

Remarks: TCIAE is not responsible for verification, nor involved in any commercial activities. We provide free services and bears no responsibility.
